CAPABILITY STATEMENT

Alchemy Fiber LLC

Inside & Outside Plant Fiber Optic Installation

Service-Disabled Veteran-Owned Small Business · *SDVOSB certification in progress*

COMPANY OVERVIEW

Alchemy Fiber LLC is a Maine-based fiber optic installation company owned by Jacob Oketa, a service-disabled U.S. military veteran. We provide inside plant (ISP) and outside plant (OSP) fiber installation, splicing, testing and documentation for government agencies, prime contractors, telecom carriers, ISPs, broadband programs, commercial buildings and campuses.

CORE COMPETENCIES

ISP Inside Plant

- Structured cabling
- Fiber backbone & riser
- Fiber termination & fusion splicing
- Patch panels & enclosures
- OTDR & power-meter testing, certification & documentation
- Data center & telecom room build-outs
- Cable management & labeling

OSP Outside Plant

- Underground conduit & innerduct placement
- Fiber cable pulling & placement
- Handholes & vaults
- Underground construction support
- Splice cases & fusion splicing
- OTDR testing
- As-built documentation
- Dig Safe / 811 compliance

Also

- Emergency restoration (underground & ISP)
- FTTx & broadband builds (including BEAD-funded projects)

DIFFERENTIATORS

- **Veteran-led discipline:** planning, accountability and clear communication.
- **Tested & documented:** OTDR / power-meter results, labeling and as-builts delivered with the work.
- **Safety & compliance:** Dig Safe / 811 locates before excavation; work to project specifications and applicable codes.
- **Regional:** Based in Portland, Maine; serving Maine and New England.
